Student Dining Meal Plan (Board)

Meal Plan

Students living in campus housing without a kitchen are required to purchase a meal plan. We have expanded the number of options to better meet your needs. Flex dollars may be used in the dining hall or Star's Café. (Remember that unused meals are not carried forward to the next week):

- 12 meals per week + \$500 flex (192 swipes): \$2,320 per semester
- 14 meals per week + \$200 flex (224 swipes): \$2,320 per semester
- 16 meals per week + \$200 flex dollars (256 swipes): \$2,560 per semester

Students living in campus apartments with kitchens or living off-campus are not required to purchase a meal plan. They do have the option of purchasing a plan with fewer meals to accommodate busy schedules when there's no time to cook:

- 7 meals per week (112 swipes): \$1,065 per semester (apartment residents only)
- 4 meals per week (64 swipes): \$610 per semester (apartment residents only)

Students who do not believe that our dining service can accommodate their dietary restrictions should submit a Meal Plan Appeal Form (by Sept. 1 for fall semester and Feb. 1 for spring semester). Forms are available on the gateway or you may email the Office of Student Experience.

Fees

Fees required of all students (activities, health care, technology) will increase from \$600 to \$700 per semester. The Health and Wellness fee provides unlimited mental health counseling at the College's Counseling Center, as well as basic health care services at Boone Health Care at no additional cost to the student.

Every situation is unique, and your actual costs will reflect your housing choices, courses and curriculum, and the financial aid you receive.

Please contact Keri Gilbert, Associate Vice President of Financial Aid and Compliance, finaid@stephens.edu, (573) 876-7106, Lela Raney Wood Hall, Room 218 to discuss your particular situation and to review the cost of attendance and available aid.
