2025-2026 Employee Tuition Waiver Benefit Form

As a benefit to your full-time (full-time is classified as a minimum of 3/4 time or 1,560 hours per year) employment at Stephens College, you may be eligible to have your tuition waived up to 100% for courses taken at the College. Before Stephens College can provide any tuition waiver benefits, we require confirmation of your employment status each term.

Section A: To be completed by Stephens College employee

Table with 2 columns: Field Name, Value. Fields include Employee's Date of Birth, Degree/Academic Program, and Term Seeking Benefit.

I understand the following:

- Employees must apply for admission, meet the program requirements for the requested program, and be accepted. Enrollment will be contingent upon available space in the course(s) requested.
Tuition for employees enrolling through this program will be waived at 100%. All other expenses associated with enrollment are the sole responsibility of the employee. This includes fees, lab expenses, and books.
The benefit may not exceed the equivalent of part-time student status in any given semester. Part-time status will be defined as six (6) credit hours in one semester for undergraduate students and (3) credit hours in one semester for graduate students.
Employees must document approval from their supervisors prior to enrollment on the Employee Tuition Waiver Benefit Form. Upon completion, the form is to be submitted to the Office of Human Resources for further processing. An employee's workload and presence on the job to maintain the efficiency and effectiveness of the department will be taken into full consideration by a supervisor. Supervisor approval is not guaranteed.
Employees may not be absent from the workplace during their regularly scheduled hours to pursue a degree. The tuition remission policy does not include or provide paid or unpaid time off or flex hours.
The College retains the right to deny an employee's application to enroll in a course/course in any given semester, dependent upon the needs of the College.
All employees are required to follow the College's policy in requesting paid time off. To increase the likelihood of approval, employees should collaborate with their supervisors well in advance.
If an employee resigns or is terminated for any reason, the tuition waiver will continue only until the end of the session during which the termination occurred.
