2025-2026 Special Circumstances Form (Dependent)

The Office of Financial Aid understands that a family’s ability to contribute toward 2025-26 academic expenses may change since the time of filing the Free Application for Federal Student Aid (FAFSA). This form will allow you to explain any circumstances that you feel may affect your ability to cover your educational costs.

Attach supporting documentation with dollar amounts and clear explanations. **We cannot process this appeal without specific details regarding your special circumstances or without appropriate supporting documentation. Families with a Student Aid Index (SAI) of 0 will not receive additional aid through this process as they are already receiving maximum aid. Appeals are handled on a case-by-case basis, with the judgment of the administrator serving as the final decision.**
