Student Dining Meal Plan (Board)

Meal Plan

Students living on campus are required to purchase a meal plan. We have expanded the number of options to better meet your needs. Flex dollars may be used in the dining hall or Star's Café. (Remember that unused meals are not carried forward to the next week):

- 12 meals per week + \$500 flex dollars: \$2,600 per semester
- 14 meals per week + \$200 flex dollars: \$2,600 per semester
- 16 meals per week + \$200 flex dollars: \$2,900 per semester

Students living in campus apartments with kitchens are required to purchase a meal plan with a minimum of four meals per week. While students may select from any available meal plan, the 4-meal-per-week and 7-meal-per-week plans are specifically designed for apartment residents:

- 4 meals per week + \$100 flex dollars: \$800 per semester (apartment residents only)
- 7 meals per week + \$100 flex dollars: \$1,400 per semester (apartment residents only)

Students living off-campus are not required to purchase a meal plan. Part-time students may use the dining facilities in Stamper Commons by paying the casual meal rate.
